Advisor	Career advisor	Industry advisor
Purpose	Reviewing assignments and checking in to see how Pathrise and job search is going.	Developing a personalized game plan for how you should approach your job search for your industry.

## Post-Trial

After the trial period, you will do one 20 minute check-in 1-on-1 with your career advisor each week. You may also schedule up to one ad hoc session per week with either advisor.

	<b>Check-in 1-on-1s</b>	<b>Ad Hoc 1-on-1s</b>
Length	20 minutes	30 minutes

Frequency	Once a week for the duration of your Pathrise enrollment.	Whenever you need them (up to one per week)
Advisor	Career advisor	Either advisor
Purpose	Reviewing tasks and assignments, and going over your recent applications, interviews, and offers.	Seeking specific help (e.g. prepping for a company interview, negotiating a specific offer, etc.).

## Workshops

The Core Curriculum Workshops are **mandatory** and **essential** online workshops which will build the foundation of your new job search and industry interviewing strategy. If you do not watch these workshops, preferably live but at least via recording, you will be missing out on key information that is referenced by your advisor, other fellows, and in assignments and recommendations throughout the program.

There are 16 total Core Curriculum Workshops that happen over the course of 8 weeks (and 1 Intro Workshop). Half of the workshops will be focused on the job search itself, across all Pathrise industry tracks. The other half of the workshops will be specific to the industry track, focused on topics like Software Engineering, Design, or Product Strategy. Here is the workshop timeline with descriptions:
