This Degree Advice is to be used for advising purposes only. It is neither your academic transcript nor a notification of completion of degree requirements. Only the school or college in which you are enrolled can certify that the necessary degree requirements for graduation have been completed. Report missing or incomplete data to your school or college. Substitutions, waivers or other exceptions must be validated by a written and approved petition on file in your school or college of enrollment. The What-if audit is an approximation of undeclared degree requirements. Please work with an advisor when considering a change to your academic program. Contact information for your school or college is available by selecting the tab at the top of the page.
